## **AP Exam Registration, 2020-2021**

Students are required to register for exams and pay any amount due by Friday, March 5, 2021. This school-level exam registration and payment process is **required** in order to test and is separate from the exam indicator in AP Classroom/AP Student portal. Indicating a desire to test in AP Classroom will not secure a test. Exams are ordered and administered based on the registration and payment process described herein only.

There are two things for AP students and parents to do prior to Friday, March 5, 2021:

1. **Register for the exams you wish to take this Spring.** Registration is online **only** and is available at <https://forms.gle/j9RY68JArDyaUZR8>.

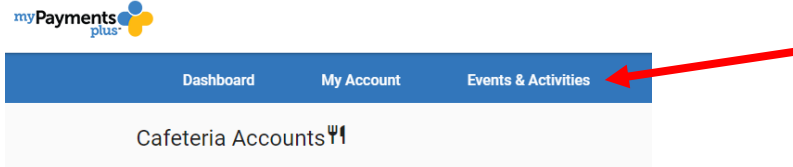

2. **Pay the total amount due via [www.mypaymentsplus.com](http://www.mypaymentsplus.com).** Payments may be made at any time between now and the final deadline of Friday, March 5, 2021. Payment may be made either in installments or the total balance at once, but the total balance must be paid by Friday, March 5, 2021. The total amount due per student depends upon the student's status, which exams they are taking, and how many exams they are taking. The online registration form will further clarify the total amount for each student. Students who qualify and have been approved for **this** school year for free or reduced school meals get one exam at no cost. Additional exams are \$40 each. For all other students, one AP "STEM" exam is free, and additional exams are \$75 each. You may check eligibility and submit an online application for free/reduced meals status at [https://newton.strataapps.com/\(S\(41pczwlmeet5mq1yiwvy30kf\)\)/default.aspx](https://newton.strataapps.com/(S(41pczwlmeet5mq1yiwvy30kf))/default.aspx) or go to [www.newtoncountyschools.org](http://www.newtoncountyschools.org) and scroll down to "Shortcuts," and then "Free/Reduced Meal Application." It is required that students have been approved through this application for **this** school year in order to qualify for the reduced AP exam fees.

**Late fee:** If you decide after the deadline to take an exam for which you did not register by Friday, March 5, 2021, a \$40 late fee applies per exam.
